Hi,

Sorry to bug. We've had a request for a higher resolution photo – at least 1MB. Is that available?

JoAnn

Jo Ann,

Our consultant CH2M indicated the photo was taken in 2006 and is attributed to Dave Schumacher.

Thanks,

David A. Seter, P.E.

Subject: info on Anaconda aerial

Hi Dave,

Hope all's well. Are you able tell me when the attached aerial of the Anaconda Mine was taken?

Thanks,

JoAnn
